

## Family Fundraising Ideas

**Keep a money jar** around the house and put loose change in it. Ask the kids to donate their allowance for a week to the jar. They can also do additional chores to earn more money to put in the jar.

**Host a garage sale** in your neighborhood and get the whole block involved! Ask friends and family to donate items to sell. Put up signs at the garage sale to let everyone know the proceeds are being donated to Clearbrook.

**Ask a local frozen yogurt place**, ice cream shop or restaurant to host a benefit night. Invite friends to join you for ice cream and a percentage of the proceeds will go to support Clearbrook. Be sure to spread the word! The more people who attend, the more money will be raised!

**Do your kids attend private school?** See if kids can donate \$5 to wear something besides their uniform to school.

**Host a movie night at your house.** Ask people to donate to attend. Make it fun by doing it outdoors and projecting the movie on a sheet in the backyard.

**Have a bake sale** or lemonade stand on your street. Get the neighbors involved!

**Clean the house for Clearbrook!** Ask your kids to do additional chores around the house to earn money to donate to Clearbrook.

**Clean out the console of your car.** Donate all the loose change to Clearbrook!

**Host a bowling night!** Many local bowling venues will work with you to make the event a fundraiser. You can have a silent auction to raise more money.

**Have a game night** with friends. Play your favorite games and ask people to make a donation to participate.

**Need more ideas? Have questions?**
